Molybdenum Disulfide Grease 400ml

Brand: COFAN

Reference: COF 15000003

400 ml molybdenum disulfide grease. Multipurpose lubricating black grease ideal for extreme pressure and temperature. Spray grease with resistance to oxidation, humidity and corrosion. Black liquid adhesive spray grease with molybdenum disulfide with anti-seizing and lubricating properties for operations at extreme pressures and temperatures (from -20 °C to +380 °C). Its application provides a long-lasting and reliable effect. Ideal for lubricating bearings and mechanisms that work at high temperatures and with high loads. Extremely flammable aerosol. Pressurized container: may burst if heated. Causes serious skin and eye irritation. May cause drowsiness or dizziness. Toxic for the aquatic organisms, with lasting noxious effects. Avoid breathing the aerosol. Use only outdoors or in a well-ventilated area. To avoid it's releasing into the environment. Keep out of the reach of children. Keep away from heat sources, sparks, open flames or hot surfaces. No Smoking. Do not spray on an open flame or other ignition source. Pressurized container: do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures above 50 °C/122 °F.

- Content BI: 400 ml

Description

Molybdenum Disulfide Grease 400ml

The 400 ml Molybdenum Disulfide Grease is a multipurpose lubricant ideal for extreme pressure and temperature conditions. Its spray formula offers resistance to oxidation, humidity and corrosion,

guaranteeing optimal performance in various applications. With anti-seizing and lubricating properties, this black liquid adhesive grease with molybdenum disulfide is perfect for operations at temperatures ranging from -20°C to +380°C. Its application provides a long-lasting and reliable effect, being ideal for lubricating bearings and mechanisms that work under high loads and high temperatures.

- Content: 400 ml
- Oxidation resistance , humidity and corrosion
- Anti-seizing and lubricating properties
- For extreme temperatures (-20 °C to +380 °C)
- Long-lasting and reliable effect
- Ideal for bearings and mechanisms under high loads
- Extremely flammable aerosol
- Causes serious skin and eye irritation
- Toxic to aquatic organisms
- Use outdoors or in well-ventilated places
- Keep away from heat sources and open flames

Specifications

High	8,00
Width	8,00
EAN	8445187160772
Weight (kg)	0,36
Depth	23,00
