INOX Spray 400 MI

Brand: COFAN

Reference: COF 15000009

Spray enamel, protector of metal surfaces. It impregnates a layer based on stainless steel, it is suitable for all types of metals. This enamel is resistant to water and salt, as it protects products against atmospheric agents and corrosion. It is responsible for renewing and improving the appearance of metallic and stainless surfaces to protect them, especially against corrosion. Extremely flammable aerosol. Pressurized container: may burst if heated. Causes serious skin and eye irritation. Toxic for the aquatic organisms, with lasting noxious effects. To avoid its releasing into the environment. Avoid breathing the aerosol. Keep out of the reach of children. Keep away from heat sources, sparks, open flames or hot surfaces. No Smoking. Do not spray on an open flame or other ignition source. Pressurized container: do not pierce or burn, even after use. Protect from sunlight. Do not expose to temperatures above 50°C/122°F.

- Content BI: 400 ml

Description

INOX Spray 400 MI is a spray enamel designed to protect and improve the appearance of metal surfaces. Its stainless steel-based formula impregnates a protective layer that is resistant to water and salt, protecting products against corrosion and atmospheric agents. This spray is ideal for renewing and protecting metal and stainless surfaces, keeping them free of corrosion. However, it is important to note that it is extremely flammable and can cause serious skin and eye irritation, so contact with skin and eyes should be avoided. In addition, it is toxic to aquatic organisms, so its release into the environment should be avoided. It is recommended to keep away from heat sources, sparks and open flames, and do not expose to temperatures above 50°C.

- Content: 400 ml
- Protects metal surfaces against corrosion
- Resistant to water and salt
- Renews and improves the appearance of surfaces
- Extremely flammable
- Causes serious skin and eye irritation
- Toxic to aquatic organisms
- Do not expose to temperatures above 50°C

Specifications

High	8,00
Width	8,00
EAN	8445187161113
Weight (kg)	0,36
Depth	23,00
