Description

Cable Grommet Spray 400ml

Cable Grommet Spray 400ml is an aerosol electrical cable lubricant, ideal for telephone or fiber optic cables. Its formula does not damage plastic or rubber covers, reducing friction between cables and making them easier to handle. Protects cables from aging and guarantees strength and durability thanks to its adhesion capacity. With a 400 ml capacity, this product withstands high temperatures and applies evenly to cables and conduits. However, it is important to note that it is an extremely flammable spray and should be kept away from heat sources, sparks and open flames. Smoking should not be allowed near the product and it is recommended to protect it from sunlight and not expose it to temperatures above 50°C/122°F.

- Capacity: 400 ml
- Does not damage plastic or rubber covers
- Reduces friction between cables
- Protects cables from aging
- Resistant to high temperatures
- Extremely flammable aerosol
