Description

Bicycle Lubricant 200ml

This lubricant for bicycle chains in spray with anti-wear protection is an essential product for the correct maintenance of your bicycle. Its special formula acts as an anti-seize for chains and mechanical parts, guaranteeing optimal operation and prolonging the useful life of the treated components. The film it creates protects the chain and keeps the bike clean, while its versatility makes it ideal for both

mountain and road bikes. With a capacity of 200 ml and application by spray, this lubricant is perfect for repelling water and keeping your bike in optimal condition. Furthermore, its extremely flammable composition and the safety precautions indicated on the packaging guarantee its safe and effective use.

- Anti-wear protection
- Anti-seize for chains and mechanical parts
