Description

Fluoresc Work Marking. Yellow 500ml is a high quality fluorescent spray paint, ideal for professional marking of works, buildings and roads. Available in a 500ml container with a safe outlet valve, this product is designed to be visible for 6-9 months, even in extreme temperature conditions down to -20°C. The bright yellow color ensures excellent visibility, while hazard warnings on the labeling ensure safe use. With components including hydrocarbons and ethyl acetate, this paint is extremely flammable and can cause skin irritation, drowsiness, and damage to aquatic organisms. Make your markings stand out with Fluoresc Construction Marking. Yellow 500ml!
