White Waterproofing (750 MI)

Brand: COFAN

Reference: COF 15002411

Waterproofing coating has a lot of elasticity which allows it to accompany the expansion and contraction movements of the support without cracking. Suitable for all types of interior and exterior surfaces. High quality product to avoid leaks and humidity. We recommend applying two coats, respecting the drying times so that it adheres well and obtain a professional result. It is indicated for the protection of facades and exterior walls, since it is impermeable to rain and liquid splashes. Available in different colors and capacities.

- Color: White
- Bl content: 750 ml
