

Product sheet

Black Water Dye 50ml

Brand: COFAN

Reference: COF 15002803

Cofan's dyes or colorants are composed of a high concentration of color pigments that allow giving tone in water-based paints or plastic paints, among others. These dyes are the perfect solution to change the tone of a paint effortlessly, you only have to spray the paint with the dye and stir until the mixture is homogenized. We recommend that before pouring the dye into the paint pot you make a small sample to get the tone you want.

- Color: Black
