Product sheet

Profi Handle For Replacement 5cm

Brand: COFAN

Reference: COF 15005051

Replacement handle for mini rollers is made of high quality polypropylene that provides greater resistance and durability against use. Thanks to its design, it provides the comfort and ergonomics you need to work effortlessly. The handle is non-slip, improving your grip for better use. It is very easy to adapt the mini roller, since it is applied by pressure, so you will only have to insert the roller into the rod and apply pressure.

- Measurement: 5 cm
