Description

Cofan's smooth wall mini roller refills are ideal for obtaining professional finishes in your painting projects. Made of high-resistance microfiber, these replacements guarantee an impeccable result on smooth surfaces. They are suitable for all types of paint, whether solvent or water-based, which makes them versatile and practical. With a length of 60 mm and a diameter of 1.8 cm, these replacement parts are easy to handle and provide a quality surface finish. The polyamide fabric ensures uniform application of the paint, without leaving marks or lint. Each pack includes 2 units, which will allow you to always have a replacement on hand for your painting jobs.
