Polyurethane Foam 750ml 45l Manual

Brand: COFAN

Reference: COF 15500101

Manual polyurethane foam is self-expanding polyurethane with a high-quality structure that cures by reacting with air humidity. It is easy to use and, once cured, serves as a thermal and acoustic insulator with excellent adhesive properties. Cured foam dries stiffly and can be cut and bundled, but is sensitive to ultraviolet light and direct sunlight. It does not contain propellant gases harmful to the ozone layer. DANGER Alkanes, C14-17, chlorine; Diphenylmethane diisocyanate, isomers/homologs. H362: May harm breastfed children. H410: Very toxic to aquatic organisms with long lasting effects. H315: Causes skin irritation. H334: May cause allergy or asthma symptoms or breathing difficulties if inhaled. H317: May cause an allergic skin reaction. H351: Suspected of causing cancer. H335: May cause respiratory irritation. H373: May cause damage to organs through prolonged or repeated exposure. H229: Pressurized container: May burst if heated. H222: Extremely flammable aerosol. H319: Causes serious eye irritation.

- Model: Expandable 45 L
- Capacity: 750 ml
- Mod.: Application by cannula (included)

Description

750ml manual polyurethane foam is a high quality self-expanding product that cures by reacting with air humidity. Once cured, it acts as a thermal and acoustic insulator with excellent adhesive properties. It is easy to use and can be cut and sanded after drying rigidly. However, it is sensitive to ultraviolet and direct sunlight, so caution should be taken

when exposing it. It does not contain gases harmful to the ozone layer. This product can be harmful to breastfed children and is very toxic to aquatic organisms. It can also cause skin irritation, skin allergies, respiratory problems, and organ damage after prolonged exposure. It is recommended to use with caution and follow the safety instructions.

- Model: Expandable 45 L
- Capacity: 750 ml
- Mod .: Application by cannula (included)

Specifications

High	34,00
Width	7,00
EAN	8445187197587
Weight (kg)	0,844
Depth	7,00
