Polyurethane Foam Spray 750ml

Brand: COFAN

Reference: COF 15500110

Low expansion spray polyurethane foam with acoustic and thermal insulation. Excellent adhesion to any surface. 750 ml tank. It is a self-expanding polyurethane foam, with a high-quality structure that cures by reacting with air humidity. It is easy to use and, once cured, serves as a thermal and acoustic insulator with excellent adhesive properties. Cured foam dries stiffly and can be cut and sanded, but is sensitive to UV light and direct sunlight. High performance. DANGER Alkanes, C14-17, chlorine; Diphenylmethane diisocyanate, isomers/homologs. H362: May harm breastfed children. H410: Very toxic to aquatic organisms with long lasting effects. H315: Causes skin irritation. H334: May cause allergy or asthma symptoms or breathing difficulties if inhaled. H317: May cause an allergic skin reaction. H351: Suspected of causing cancer. H335: May cause respiratory irritation. H373: May cause damage to organs through prolonged or repeated exposure. H229: Pressurized container: May burst if heated. H222: Extremely flammable aerosol. H319: Causes serious eye irritation.

- Expandability: Max 30%
- Skin formation: 30-40 min
- Drying to touch: 10-14 min
- Breaking strength: 10 N/cm²
- Compression strength (DIN 53421): 1.5 N/cm²

Description

Polyurethane Spray Foam 750ml

The low expansion Polyurethane Spray Foam offers excellent acoustic and thermal insulation, with a maximum expansion capacity of 30%. Its high-quality structure cures by reacting with moisture in the air, providing exceptional adhesion to any surface. With a 750 ml tank, this self-expanding foam is easy to use and once cured, it becomes a thermal and acoustic insulator with outstanding adhesive properties. It dries stiffly and can be cut and sanded, but is sensitive to ultraviolet and direct sunlight. With a skin formation of 30-40 minutes, dry to the touch in 10-14 minutes, breaking strength of 10 N/cm2 and compressive strength of 1.5 N/cm2, this polyurethane foam offers high performance for various applications.

Specifications

High	34,00
Width	7,00
EAN	8445187250220
Weight (kg)	0,888
Depth	7,00
