

## Product sheet

## Neutral Silicone 300ml Translucent

Brand: COFAN

Reference: COF 15500631TR

300 ml neutral silicone. Neutral silicone or neutral system silicone sealant. It is especially recommended for sealing between carpentry and work, expansion joints, joints in prefabricated panel constructions, joints between walls and floors, applications in contact with treated glass and all those applications that need an odorless sealant. It is a one-component, low-modulus, neutral-curing silicone sealant, ready to use. It reacts with atmospheric humidity, producing an extremely resistant flexible seal. It does not contain corrosive additives nor does it give off a strong odor. PRECAUTIONS: Warning H317: May cause an allergic skin reaction. P101: If medical advice is needed, have the container or label at hand.

- Contains: 300 ml
- Colour: Translucent/Transparent
