Description

400 Gms Professional Grease Pump

The 400 Gms Professional Grease Pump is a high quality tool designed to facilitate the lubrication of machinery efficiently and precisely. With a capacity of 400 gms/500 cm³, this pump is ideal for bulk loads and features a suction and cartridge system for easy refilling. Its maximum pressure of 413 BAR/6000PSI guarantees optimal performance at all times. The 1.2mm reinforced aluminum wall provides durability and strength, while the ergonomic PVC handle ensures a comfortable and secure grip. In addition, it has a non-slip system and purge for safer and more effective use.

Specifications

High	7,00
