Cutting Board With Green Handle 30x20x1.5cm Chips Model

Brand: COFAN

Reference: COF 41600110

Cutting board with rectangular handle for kitchen Model Chips. The board is standard, with beveled edges, suitable for contact with all types of food. It does not absorb moisture, odors or flavors. It does not produce resistant germs or splinter. Cleaning is very easy. This cutting board is highly resistant, so you can cut all types of foods and, at the same time, protect the sharpness of the knives. The different colors available identify the type of food that would be ideal to cut on that board to avoid cross contamination. It is dishwasher safe. It is made of high-density polyethylene, with food certification. Available in green, white and yellow. Green color: fruits and vegetables. White: pasta, cheese, bread and pastries. Yellow color: white meats (chicken, turkey...). Different measurements: 30 x 20 x 1.5 cm or 34 x 24 x 1.5 cm.

- Color: Green
- Measurement: 30 x 20 x 1.5cm
