Product sheet

White Rolling Pin 50x5cm Sablé Model

Brand: COFAN

Reference: COF 41600172

Kitchen rolling pin for kneading dough. The rolling pin prevents the growth of germs, does not absorb odors or retain flavors and therefore will not harbor bacteria or mold. The kneading roller is made of high-density polyethylene, with a material that has the peculiarity of being non-adhesive, so that it is not necessary to knead the dough a lot when spreading it. This type of rolling pin is widely used by pastry chefs and cake designers. It is used for all types of dough and its specialty is spreading sugar paste. A kitchen utensil suitable for washing in the dishwasher. Available in white color with a measurement of 50 x 5 cm.

- Measurement: 50 x 5 cm
