Description

Lcd Digital Display Hot Air Gun 2000 W

The 2000 W LCD digital display hot air gun is a versatile and powerful tool that will allow you to make a wide variety of tasks with ease. With an adjustable temperature from 50° to 650°, you can adjust it according to your specific needs. In addition, it has constant heat control and overheat protection to ensure safe and efficient use.

- Nominal voltage: 220-240 V
- Rated frequency: 50/60 Hz
- Power: 2,000 W (16 A)
- Total use time approx.: = 650 h
- Temperature: I: 50°C II: 50-650°C

- Air flow: 250-500 lx min

In addition, it comes with 5 accessories that will allow you to peel paint, deform tubes, shrink PVC, among other applications. With a preset schedule of frequently used data, you'll be able to quickly get started on your projects. With a lifespan of = 650h, this heat gun is a durable and reliable tool for any task you need to perform.

Specifications

High	31,00
Width	12,00
EAN	8445187254556
Weight (kg)	2,615
Depth	37,00
