Dual Head Flashlight with Activation Sensor 350 Lm

Brand: COFAN

Reference: COF 50003155

The elastic band of the dual flashlight is made of ultra-resistant silicone, providing a perfect fit to the head. It is a very comfortable flashlight to carry anywhere or in any situation. It is ideal for use on night routes, working in dark conditions or for any application in environments where lighting is limited. It has two types of lamps: a COB Led with up to 350 lm and another XPE, with up to 120 lm. Each type of spotlight has two levels of light intensity, to ensure that the lighting provided is as desired. Its proximity sensor allows you to activate or deactivate the light at your convenience. LED flashlight with a built-in rechargeable battery that can be charged with USB (cable included).

- Power: 350 lm
