Simple Punch 3mm Droppers

Brand: COFAN

Reference: COF 90016085-U

Punch for drilling drip irrigation tubes. This tool is used to make holes in drip irrigation pipes, thus facilitating the insertion of new adjustable, screw, turbulent or self-compensating drippers. It is usually used in activities related to agriculture and gardening. Use this accessory to custom place drippers in your irrigation system. By using this product, you will be able to make the necessary drilling in your water line comfortably and without the need to use tools that make this process an annoying and tedious activity.

- Measurement: 3 mm
- Units: 1
