

## Product sheet

## Anti-Weed Mesh 100 Grams Black 1x100 Mts

Brand: COFAN

Reference: COF 90016571

Anti-weed netting made of polypropylene with protection against UV rays. Used as an effective method against weeds and as an ecological alternative for eliminating weeds, since the soil is free of chemicals or herbicides. This mesh is especially indicated to prevent the growth of weeds, conserving soil moisture and obstructing the entry of sunlight. Also ideal for creating gardens with a good finish, maintaining orchards or installing under artificial grass.

- Measurement: 1 x 100 m
