Description

Iron Nail Tip/Flat Head 4.4x100mm

This product consists of iron nail tips with a flat head, in 2.5 kg containers. Measuring 4.4 x 100mm, these tips are ideal for construction and carpentry work that requires a secure and durable fixation. The 2.5kg weight provides an adequate amount of tips for medium to large sized projects. The flat head makes it easy to insert the tips into different surfaces, ensuring a clean, professional finish. Made from high quality iron, these bits are corrosion resistant and ensure long life. Whether installing frames, moldings or any other fastening application, these iron nail tips are a reliable and effective option.
