Description

4mm Tube Elbow Connection. 1/8 thread

The reusable angled threaded metal couplings with instant connection are ideal for compressed air installations and brake circuits of commercial vehicles. With an all-metal body, they offer an easy view of the size of the fitting and guarantee total safety and tightness, even in extreme conditions. In addition, they are resistant to corrosion and offer excellent value for money.

- Tube [mm]: 4
- Thread: 1/8"
