Description

12mm Tube Elbow Connection. 1/2 thread

The reusable angled threaded metal couplings with instant connection are ideal for compressed air installations and brake circuits of commercial vehicles. With a completely metal body, they offer an easy view of the size of the fitting and guarantee total safety and tightness, even in extreme conditions. Additionally, they are corrosion resistant, ensuring a long product life. With an excellent quality-price ratio, this product is a reliable option for your connection needs in industrial facilities.

- Tube [mm]: 12
- Thread: 1/2"

Specifications

High	2,00
Width	4,00
EAN	8445187053739
Weight (kg)	0,08
Depth	4,00
