### Description

#### Closing plug 10 x1.0

This closing plug is designed for use in metal fittings, with threads ranging from M-10 to M-22. With a 10 x 1.0 thread and a height of 8 mm, this plug provides a secure and tight seal for different types of connections. Its threaded design makes it easy to install and ensures a firm fixation in place. Made from high quality materials, this plug is corrosion resistant and ensures a long service life. Ideal for industrial and commercial applications, this sealing plug is a reliable solution for keeping connections safe and secure.

- Thread: 10 x 1.0
- Height: 8 mm
- Threaded design for easy installation
- Corrosion resistant material
- Suitable for metal fittings with threads from M-10 to M-22
- Industrial and commercial applications
