Description

York check valve r-1/2, York Check Valve

- Thread: 1/2

The Check Valve York R-1/2 Retention is an essential component for piping systems requiring precise control of liquid flow. Manufactured from high quality materials, this valve guarantees optimal performance and long life. Its 1/2-inch thread allows easy installation on different types of pipes. Technical features: - High quality check valve - 1/2 inch thread for easy installation - Designed for precise control of liquid flow - Made with durable and resistant materials - Ideal for industrial and commercial piping systems - Ensures a optimal performance and long life The York R-1/2 Check Valve is the perfect choice for those looking for a reliable and efficient product for their piping systems.

Specifications

High	5,50
Width	3,00
EAN	8445187165258
Weight (kg)	0,103
Depth	5,50
Thread	1/2"
