Description

3/8" Female-Female Mini Ball Valve

The 3/8" Female-Female Mini Ball Valve is an essential component for piping systems that require precise control of liquid flow. Manufactured with high quality materials, this valve guarantees durability and optimal performance in various industrial and commercial applications.

- Thread measurement: 3/8"
- Sphere design that allows for a tight and quick closure
- Female-female connections for simple and safe installation
- Corrosion and high pressure resistant construction
- Ergonomic handle for easy handling
- Compatible with a wide range of fluids and temperatures

Specifications

High	2,00
Width	3,00
EAN	8445187245288
Weight (kg)	0,075
Depth	4,50
Thread	3/8"

may contain errors or omissions and does not replace the manufacturer datasheet.
