Description

The 20w 1500lm EDM rechargeable LED work flashlight is a versatile and powerful tool that will help you illuminate any workspace. With various wattages available, you can adjust the light intensity according to your needs. The lower part offers two power options (100% - 50%) with 1000lm/500lm, while the upper part has 700lm/350lm. In addition, you can combine both positions to obtain a power of 1500lm + 750lm.

It works with a 4000mah battery and has a hook and power bank function for greater convenience. The magnetic base allows you to attach it to any metal surface, and its approximate operating time is 8 hours with a charging time of 5 hours. Includes a USB cable for easy recharging. With dimensions of 32.5x10.8x8.3cm, this work flashlight is the perfect companion for your projects.

Specifications

EAN	8425998361544
Manufacturer	EDM

Country of origin	India
