Description

The Cofra Ascent S3 SRC safety boot in size 39 complies with the EN ISO 20345:2011 standard and is designed to offer protection and comfort in demanding work environments. Made with a water-repellent leather upper and a breathable fabric outer lining, this boot has a 100% polyester Trti-tex inner lining that is breathable, absorbent and anti-abrasion. The Evanit insole of variable thickness and the dual-density polyurethane sole provide great comfort and resistance to wear. The fiberglass cap toe and non-metallic anti-perforation insole guarantee optimal protection. In addition, the boot is antistatic and has a last of 10.5 Mondopoint in sizes 38-39 and 11 Mondopoint in sizes 40-48.
