Description

The Bryne thermal undershirt in anthracite color from the Cofra brand in size M is an ideal garment to keep the body warm and protected in cold environments. Its composition of 67% nylon, 23% polypropylene and 10% elastane guarantees comfort and flexibility during use. With a weight of 270g/m², this t-shirt offers effective thermal insulation without sacrificing freedom of movement. Perfect for outdoor activities in cold weather, this garment is breathable and quick-drying, keeping your skin dry and comfortable at all times. The Bryne thermal base layer is a versatile and functional option for those looking for protection and comfort in extremely cold conditions.
