Description

10mm 3/8" EDM galvanized shackle is ideal for light work of fastening, mooring, towing, among other uses. With a load capacity of 310kg, this shackle is resistant and reliable for various applications. Its galvanizing guarantees a greater durability and protection against corrosion, making it perfect for outdoor use. Its compact size makes it easy to transport and store, being a versatile and practical tool for any task that requires a safe and reliable hold.

- 10mm 3/8" EDM Galvanized Shackle
- Light clamping work
- Suitable for tie downs, towing, etc.
- Capacity 310kg load
- Galvanized for greater durability and protection against corrosion
- Compact size and easy to transport
- Versatile and practical for various applications

Specifications

EAN	8425998853131
Manufacturer	EDM
Country of origin	Spain
Weight (kg)	0, 089
