Description

12mm 1/2" EDM galvanized shackle ideal for light clamping work, mooring, towing, among other uses. With a load capacity of 520kg, this shackle is resistant and reliable for various applications. Its galvanizing guarantees greater durability and corrosion protection, making it perfect for outdoor use. Its compact size makes it easy to transport and store, being a versatile and practical tool to have on hand in any situation that requires a safe and reliable hold.

- 12mm 1/2" EDM galvanized shackle
- 520kg load capacity
- Ideal for light clamping work, mooring, towing, etc.
- Galvanized for durability and protection against corrosion
- Compact size and easy to transport
- Versatile and practical for various applications

Specifications

EAN	8425998853148
Manufacturer	EDM
Country of origin	Spain
Weight (kg)	0, 178
