Carpenter Pencil Mechanical Pencil with Marker Wax Refills

Brand: WOLFPACK LINEA PROFESIONAL

Reference: AFT 02550080

The **Carpenter Mechanical Pencil with 6+1 Marker Wax Refills** is an essential tool for carpenters and construction professionals. This mechanical pencil, measuring 16 cm x Ø 13 mm, presents key technical characteristics:

-

Durable Steel Tip: The 4 cm tip length and Ø 6 mm is made of resistant steel, which makes it ideal for marking even in deep holes.

-

Various refills: Includes 6 leads refill, with 2 in black, 2 in red and 2 in yellow, plus an additional lead inside the mechanical pencil.

-

Surface Versatility: Designed to mark on any surface, whether rough or smooth, and even on shiny surfaces.

-

Integrated Pencil Sharpener: It has an integrated pencil sharpener on the cap to sharpen leads in seconds.

-

Retaining Clip: The cap has a retaining clip for convenient carrying on the belt or the pocket.

Description

The **Carpenter Mechanical Pencil with 6+1 Marker Wax Refills** is an indispensable tool in the arsenal of any carpenter or construction professional. With its robust design and versatility, it simplifies the marking process in a variety of applications, from construction projects to carpentry work and home repairs.

- Additional Technical Features:

-

Durable Steel Tip: The tip of this mechanical pencil is made of steel, which provides it with durability and strength. With a length of 4 cm and a diameter of Ø 6 mm, this tip is especially suitable for marking in deep holes and resistant surfaces.

-

Wide Variety of Refills: This mechanical pencil includes 6 refill leads, with 2 in black, 2 in red and 2 in yellow. Additionally, there is an additional lead inside the mechanical pencil, ensuring you always have refills on hand for your marking needs.

-

Surface Versatility: The mechanical pencil is designed for marking on a variety of surfaces, including rough, smooth and shiny ones. Whether you're working on wood, metal, cement or glass, this mechanical pencil will allow you to make clear, visible marks.

-

Integrated Pencil Sharpener: A convenient feature of this mechanical pencil is the pencil sharpener built into the cap. When you need to sharpen the lead, simply insert the lead into the hole and twist the plug. In a matter of seconds, you will have a lead that is sharp and ready to use.

-

Retaining Clip: The cap of the mechanical pencil also has a retaining clip, allowing you to carry it comfortably on your belt, pocket or wherever needed during your work day.
