Starrett Fast Cut Bi-Metal Drill Bit 60mm (63FCH060)

Brand: STARRETT

Reference: EDM 82891

Starrett Fast Cut 60mm Bi-Metal Drill Bit (63FCH060)

- Especially suitable for cutting stainless steel and hardened steel sheets
- Cuts in tubes with thickness up to 13mm
- Constant serration 5.5 dpp
- Cutting depth 41mm
- Greater heat resistance
- Maximum Duration
- Excellent hole finish
- Less vibration
- Extra thickness
- Cobalt HSS
- Recommended spindles: A10/A10M/A2/A1738/A21
- Dimensions: 5.7x7.4x11.5cm (width/depth/height)
- Weight: 190g

Description

The Starrett Fast Cut 60mm Bi-Metal Drill Bit (63FCH060) is ideal for cutting stainless steel and hardened steel sheets. With a constant toothing of 5.5 dpp and a cutting depth of 41mm, this drill bit offers greater heat resistance, maximum durability and an excellent hole finish. In addition, it reduces vibration thanks to its extra thickness and is made with HSS cobalt for greater efficiency. Recommended for A10/A10M/A2/A1738/A21 spindles, its dimensions are 5.7x7.4x11.5cm (width/depth/height) and it weighs 190g. With the capacity to cut tubes up to 13mm thick, this drill bit is a high quality and performance tool for drilling work in stainless steel and hardened steel.

Specifications

EAN	496590050800
Manufacturer	STARRETT
Material	Metal
Country of origin	Spain
Weight (kg)	0, 182
