Description

The AGUILON White Fan is an elegant and functional choice to keep your home cool all year round. This fan is designed to deliver exceptional performance without the need for a built-in light, making it the ideal choice if you are looking for a discreet cooling solution. With a White and three Beech blades, this fan blends perfectly with any interior decoration. Its powerful DC motor guarantees efficient and quiet operation, while its five adjustable speeds allow you to control the air flow according to your preferences. The Included remote control makes it easy to operate from anywhere in the room. In addition, this fan has a 1/4/8 hour programmable timer, allowing you to program its operation according to your needs. The compact dimensions of 25x132x132 cmmake it ideal for smaller spaces, such as bedrooms, studies or living rooms. This fan is designed for indoor use and fits perfectly into home environments.
