This modern style lamp is the perfect solution for spaces with space limitations, such as children's rooms or areas with narrow shelves. Its flexible and adjustable design allows you to direct the light exactly where you need it, providing efficient and comfortable lighting.

A standout feature is its comfortable clamp, which allows it to be securely fixed on a variety of surfaces , from tables to headboards. This makes it a versatile and convenient option for any environment.

The YEZCO lamp features an E27 lamp holder, meaning you can customize your lighting by choosing the bulb that best suits your needs and preferences. Please note that the bulb is not included in the initial purchase, giving you the flexibility to select the color temperature and brightness you want.

Its compact dimensions of 36x11.5x12 centimeters ensure it fits fit perfectly in your space without taking up too much space. Additionally, it is available in a wide range of colors including white, yellow, purple, silver, black, blue, red and green, allowing you to choose the shade that best suits the aesthetic of your home or office.
