IP54 Open LED Wall Light 2x5W 4000K White

Brand: CRISTALRECORD

Reference: CR 43-410-10-100

The **IP54 Open LED 2x5W 4000K White Wall Light** is a versatile and efficient solution for both illuminating your indoor and outdoor spaces. With an IP54 protection rating, it is waterproof, making it perfect for outdoor areas. This LED wall light allows you to adjust the light beam with its two light sources and folding tabs inside, allowing you to create different environments with high optical comfort thanks to its technology to reduce flicker. With a total power of 10W (5W per light source) and a luminous flux of 700 lumens, this wall light offers efficient lighting. It is available in two finishes: textured white or anthracite gray, and offers two light tones to choose between neutral light or warm light.

Main Technical Characteristics:

- **IP54 Protection Degree:** Water resistant, suitable for outdoors
- **Light Beam Regulation:** Folding tabs to create different environments
- **Total Power:** 10W (5W per light source)
- **Luminous Flux:** 700 lumens
- **Material:** Aluminum

Description

Discover the CUBE 2x5W 4000K IP54 white LED outdoor wall light:

The **IP54 Open LED 2x5W 4000K White Wall Lamp** is a versatile and efficient solution that provides

optimal lighting for both indoor and outdoor spaces. With its IP54 protection rating, this wall light is waterproof, making it an ideal choice for outdoor areas exposed to adverse weather conditions. Below are its main features:

Light Beam Regulation: This LED wall light is especially versatile thanks to its two light sources and the folding tabs inside, that allow you to regulate the light beam according to your preferences. This allows you to create different environments in your spaces with high optical comfort.

Technology to Reduce Flicker: It incorporates technology to reduce light flicker (flicker), which It guarantees constant and comfortable lighting to avoid visual fatigue.

Power and Efficiency: With a total power of 10W (5W per light source) and a luminous flux of 700 lumens , this wall light provides efficient and adequate lighting to illuminate your spaces effectively.

Choice of Finishes and Light Shades: This model is available in two finishes: textured white and anthracite gray, allowing you to select the one that best suits your decoration. In addition, it offers two light tones to choose between neutral light or warm light, giving you flexibility in creating the desired atmosphere.

Durable Design: Made of high quality aluminum, This wall light is strong and durable, ensuring reliable performance over time.

Specifications

Appliance class	Class I
Frequency	50hz, 60hz
Opening angle	120
Colour	White
Cri (Ra)	80
EAN	8435197486344
Turned on (ON/OFF)	25000
Manufacturer	Cristalrecord
Protection	IP54
Type of lamp	LED COB
Colour temperature	4000
Estimated life (h)	30000
