IP54 Open Plus LED 4x5W 4000K Anthracite Wall Lamp

Brand: CRISTALRECORD

Reference: CR 43-820-20-182

The **IP54 Open Plus LED 4x5W 4000K Anthracite Wall Light** is a versatile and efficient lighting solution for both indoor and outdoor spaces. With an IP54 protection rating, it is waterproof and suitable for outdoor areas. This LED wall light allows you to adjust the light beam with its four light sources and folding tabs inside, allowing you to create different environments with high optical comfort thanks to its technology to reduce flicker. With a total power of 20W (5W per light source) and a luminous flux of 1400 lumens, this wall light offers efficient lighting. It is available in two finishes: textured white or anthracite gray, and provides neutral lighting.

Main Technical Characteristics:

- **Degree of IP54 protection:** Waterproof, suitable for outdoors
- **Light Beam Regulation:** Foldable tabs to create different environments
- **Total Power:** 20W (5W per light source)
- **Luminous Flux:** 1400 lumens
- **Material:** Aluminum

Description

Discover the CUBE 4x5W 4000K IP54 LED outdoor wall light:

The **Applique IP54 Open Plus LED 4x5W 4000K Anthracite** is a highly versatile and efficient lighting solution designed for both indoor and outdoor spaces. Its IP54 protection rating ensures it is waterproof,

making it suitable for outdoor areas exposed to the most challenging weather conditions. Below are its most notable features:

Light Beam Regulation: This LED wall light is characterized by its ability to regulate the light beam using four light sources and folding tabs inside. This feature allows you to personalize the lighting and create different environments with high optical comfort, ideal to adapt to your needs and preferences.

Technology to Reduce Flicker: Incorporates technology that reduces flicker flicker of light (flicker), which guarantees constant and comfortable lighting, reducing visual fatigue.

Power and Efficiency: With a total power of 20W (5W per source of light) and a luminous flux of 1400 lumens, this wall light provides efficient and bright lighting, suitable for illuminating both indoor and outdoor spaces.

Choice of Finishes: This model is Available in two different finishes: textured white or anthracite grey, allowing you to select the one that best suits your environment and design.

Neutral Lighting: The wall light offers neutral lighting , making it versatile and suitable for a wide variety of applications.

Durable Design: Made of high-quality aluminum, this wall light is strong and durable, ensuring reliable performance for a long period of time.

Specifications

Appliance class	Class I
Frequency	50hz, 60hz
Opening angle	120
Colour	Anthracite
Cri (Ra)	80
EAN	8435197491720
Turned on (ON/OFF)	25000
Manufacturer	Cristalrecord
Protection	IP54
Type of lamp	LED COB
Colour temperature	4000
Estimated life (h)	30000
