Description

The Indus 225W 14500 Lm 3CCT Dim LED Ceiling Lamp is an exceptional choice for those looking for an efficient and versatile ceiling lighting solution. This ceiling light incorporates a series of advanced features to satisfy all your lighting needs. Powerful Integrated LED Lighting This ceiling light has a Integrated high-performance LED with a power of 225W and an impressive luminous flux of 14500 Lm. This guarantees bright and efficient lighting for large spaces. Three Color Temperatures A notable feature of this ceiling light is its ability to offer three different color temperatures (CCT). You can choose between warm light, neutral light or cold light according to your preferences and the specific lighting needs of your space. Large Rectangular Diffuser The design of the ceiling light includes a large rectangular diffuser that distributes light evenly throughout the room. This ensures optimal lighting in large spaces such as living rooms, dining rooms or work areas. Complete Remote Control The Indus LED ceiling light comes with a practical remote control that allows you to have full control of the lighting. You can adjust the light tone, intensity and turn the light on and off from the comfort of your position. Night Lighting Mode and Power Memory In addition to the basic control functions, this ceiling light is equipped with a night lighting mode that provides soft, relaxing light during nighttime hours. It also has a power-on memory function that allows you to recover the last lighting configuration used. The Indus 225W 14500 Lm 3CCT Dim LED ceiling lamp is the solution perfect if you are looking for versatile and powerful ceiling lighting with customization options.
