

Product sheet

**LED bottle lamp 3.5W 240Lm.
3000K**

Brand: CRISTALRECORD

Reference: CR 05-420-04-300

The **LED Bottle Lamp 3.5W 240Lm 3000K** is a touch LED lamp designed to be placed in glass bottles and vases, creating an original table lamp. With warm white LED lighting, it provides soft lighting in the room and is turned on with a simple touch on the top thanks to its touch system. The battery can be recharged using a USB cable, making it versatile and suitable for use in the living room, bedroom, terrace or garden.

Main Technical Characteristics:

- **Creative Design:** Transforms bottles into table lamps.
- **LED Lighting:** Warm white light.
- **Touch Power On:** Easy to use with one touch.
- **Rechargeable Battery:** With USB cable.
- **Versatile Use:** Suitable for indoors and outdoors.

[View product online](#)**Description**

The **LED Bottle Lamp 3.5W 240Lm 3000K** is a creative solution to illuminate your spaces in a unique and original way. Designed to be placed in glass bottles and vases, it transforms these everyday objects into elegant table lamps.

Creative and Versatile Design

- With this LED lamp, you can unleash your decorative creativity by turning empty bottles into beautiful light sources. It is also perfect for glass vases, adding a touch of elegance to any space.

LED Lighting and Warm Tone

- The lamp has LED lighting in a warm white tone, which creates a soft and cozy light in the room, ideal for the living room, bedroom, terrace or garden.

Touch Start

- Its touch start system allows you to turn the lamp on and off with a simple touch on the top, making it easy to use and without the need for buttons or complicated switches.

USB Rechargeable Battery

- The lamp includes a rechargeable battery that can be charged using a USB cable . This makes it practical and sustainable, since it does not require the constant use of disposable batteries.

The **LED Bottle Lamp 3.5W 240Lm 3000K** is an ideal choice to add a touch of originality to your decoration while providing soft and pleasant lighting. With its versatility and innovative design, it is perfect for indoor and outdoor use, providing a cozy atmosphere wherever you place it
