Description

The **Durham E27 IP44 Outdoor Wall Light** is an exceptional solution to illuminate and beautify your outdoor spaces with style and functionality. This wall light, designed specifically for porches, gardens and terraces, combines an attractive black aluminum design with transparent PMMA diffusers that significantly improve light distribution. Below, we offer you a more detailed look at this impressive product:

Elegant and Functional Design: The Durham outdoor wall light features a black aluminum design that adds a touch of elegance to your outdoor spaces. Its structure is specifically designed to be mounted on exterior walls, making it ideal for illuminating porches, gardens and terraces.

Improved Light Diffusion: Transparent PMMA diffusers are a Featured feature of this wall light. These diffusers allow for uniform light distribution around the wall light, creating a warm and welcoming atmosphere in your outdoor areas.

Durability and Protection: Made with high quality aluminum, the Durham Outdoor Wall Light is resistant and durable. In addition, it has an IP44 protection rating, which means it is resistant to water and dust, making it suitable for use in adverse weather conditions.

Versatile Compatibility: This wall light is compatible with E27 bulbs (not included), giving you the freedom to choose the intensity and type of light that best suits your specific preferences and needs.

Easy Installation: Thanks to its specific design for outdoors and its simple installation, this wall light adapts perfectly to any exterior wall. Whether in your entrance, porch or garden, the Durham E27 IP44 adds a touch of elegance and luminosity
