Description

The 2W E14 LED Cauldron Lamp is an excellent option for those spaces where lighting must be elegant and efficient at the same time. With its compact design and 2W power, this LED lamp provides a soft, warm light that creates a cozy atmosphere wherever it is installed.

The E14 socket of this lamp makes it versatile and compatible with a wide range of luminaires, from wall sconces to ceiling lamps and chandeliers. You can use it to enhance the beauty of your indoor and outdoor spaces.

One of the outstanding features of this lamp is its 360-degree opening angle, which means it emits light in all directions. This eliminates dark spots and provides uniform, enveloping lighting.

The 4200K color temperature offers a warm light that is perfect for creating a cozy atmosphere in the home. Whether in the living room, bedroom or kitchen, this LED lamp adds a touch of elegance and comfort.

In addition, this LED lamp has a turn-on time of less than 0.5 seconds, which ensures that you get instant light when you press the switch. Its 15,000-hour lifespan means you'll enjoy reliable lighting for years, reducing the need for frequent replacements.

The 2W E14 LED Cauldron Lamp is also energy efficient, meaning it consumes less energy compared to traditional lamps, which will help you save on electricity costs.
