Description

The Bhani Simple Ceiling Spotlight is a versatile and stylish option to illuminate your spaces. With its E27 socket, you can choose from a variety of bulbs available on the market to customize the intensity and type of light you want.

This spotlight has a minimalist design in black, which makes it A modern option that easily adapts to the decoration of any room. Its Ø80mm base provides stability and elegance.

The most notable feature of this spotlight is its orientation capacity, which allows you to direct the light towards specific areas or decorative elements. This is especially useful for highlighting details in the

decoration or for illuminating work areas.

The Bhani Simple Ceiling Spotlight has an IP20 protection rating, which makes it suitable for indoor installation where it is not exposed to humidity. Its durable metal construction guarantees its durability and quality.

It is important to note that the bulb is not included, allowing you to select the bulb that best suits your lighting needs. With a voltage of 220-240V, this spotlight is easy to install and provides effective and elegant lighting.

Choose the Bhani Simple Ceiling Spotlight to add a touch of sophistication and functionality to your spaces. Its versatile design and orientation ability allow you to create the perfect atmosphere for every occasion
