Description

The Kaitola Triple Ceiling Spotlight in white is an ideal choice for those who want versatile and modern lighting in their spaces. Its triple adjustable design allows you to direct the light towards specific areas, making it a perfect option for highlighting decorative elements or illuminating specific areas.

Equipped with GU10 sockets, this spotlight is compatible with a wide variety of bulbs, allowing you to customize the intensity and tone of the light to your liking.

The Ø80mm base facilitates installation on your ceiling, ensuring a safe and stable mounting. The white

finish of this spotlight adds a touch of freshness and luminosity to any space, making it versatile and adaptable to different decorative styles.

With an IP20 protection rating, this spotlight is designed for indoor installations where not exposed to moisture. Its metal construction guarantees durability and resistance.

It is important to note that the bulbs are not included, giving you the freedom to choose the ones that best suit your needs. With a voltage of 220-240V, its installation is simple and provides effective and customizable lighting.

Opt for the Kaitola Triple Ceiling Spotlight in white to provide versatile and elegant lighting in your spaces. Its adjustable capacity and modern aesthetics make it perfect for highlighting the lighting in your environments
