Description

The **Guimara Double Ceiling Spotlight** is an ideal option for those looking for versatile and elegant lighting. This spotlight has two E14 sockets that allow the installation of bulbs with a maximum power of 40W each. This gives you the freedom to adjust the light intensity according to your preferences and needs.

The double adjustable design of this spotlight allows you to direct the light precisely, which is especially useful for highlighting decorative objects or illuminating specific areas of your space. Its nickel finish adds a touch of sophistication, while the metal and glass construction ensures durability and quality.

This spotlight has an IP20 protection rating, making it suitable for indoor use. Additionally, it operates on a voltage of 220-240V for reliable and consistent performance. Add the **Guimara Double Ceiling Spotlight** to your home or workspace and enjoy versatile and elegant lighting.
