Description

The Guimara Triple Ceiling Spotlight in nickel is an exceptional choice for those looking for elegant and adaptable lighting in their spaces. Its triple design allows you to direct the light precisely, making it ideal for highlighting decorative elements or illuminating specific areas.

With E14 sockets, this spotlight is compatible with a wide range of bulbs, making it gives you the flexibility to choose the intensity and tone of light that best suits your preferences.

The Ø80mm base ensures safe and easy installation on your ceiling, while the use of metal materials

and glass gives it a sophisticated and durable appearance.

The Guimara Triple Ceiling Spotlight has an IP20 protection rating, which makes it suitable for indoor installations where it is not exposed to humidity. Its nickel design adds a touch of refinement to any space.

It is important to note that bulbs are not included, allowing you to customize the lighting according to your preferences and needs. With a voltage of 220-240V, its installation is simple and provides versatile and effective lighting.

Opt for the Guimara Triple Ceiling Spotlight in nickel to give your spaces a touch of elegance and versatility. Its adjustable capacity and sophisticated aesthetics make it an exceptional choice to enhance the lighting in your environments
