The LED Ceiling Light 24W Birai combines style and efficiency to offer an exceptional lighting solution for your home or office. With a modern and elegant design, this ceiling light not only illuminates your spaces, but also adds a touch of sophistication.

With a power of 24W, this ceiling light offers an impressive luminaire of 2500 lumens, which guarantees uniform and powerful lighting in any room. Whether illuminating a living room, bedroom or office, this ceiling light offers lighting performance that exceeds your expectations.

The cold light temperature of 6500K creates a fresh and vibrant atmosphere, perfect for spaces where bright, clear light is required. In addition, this ceiling light turns on in less than 0.5 seconds and offers

100% full light immediately, allowing you to enjoy the desired lighting without delay.

The metal construction not only gives it a elegant appearance, but also ensures durability over time. This ceiling light is designed to withstand the passage of time and maintain its lighting quality for many hours of use.

With a long lifespan of up to 25,000 hours, this ceiling light requires minimal maintenance and helps you save on long-term energy costs. Its energy efficiency, together with its high color rendering index (CRI) of ≥ 80 , guarantees an accurate representation of colors in your spaces.

In summary, the 24W Birai LED Ceiling Light is the choice perfect for those looking for elegant and efficient lighting. Its powerful performance, modern design and durability make it a versatile choice for a variety of applications, from residential to commercial spaces. With this ceiling light, you can transform your spaces and enjoy high-quality lighting with style.
