Description

This cutter is the perfect choice for professionals and DIY enthusiasts. Its ergonomic design, combined with sharp SK5 blades, allows you to make precise cuts in a variety of materials. In addition, its practical hanging hole makes it easy to store and quickly access.

You can rely on its durability thanks to the high-quality plastic material used in its manufacture. The cutter also includes a protective cover for the blade, ensuring its safety when not in use. Plus, spare blade storage allows you to keep your blades organized and ready to use at all times.

Available in attractive blue and gray colors, this folding safety cutter is not only functional, but also you can see it well. Get yours today and experience the difference in your cutting projects!
