Description

The Wolcraft "Professional" Multi Hole Saw is a versatile and efficient tool for cutting materials such as wood, plastic, insulation and plaster. With a set of 5 saws of different diameters (28, 35, 50, 68, 74mm) and a cutting depth of 40mm, this saw is ideal for a variety of interior projects. Its hexagonal shank makes it compatible with drills and screwdrivers, facilitating its use in different tools. In addition, it has a safety lock for reliable and secure fixation during work. With the Wolcraft "Professional" Multi Hole Saw, you can make precise and clean cuts in your DIY and carpentry projects.

- Set of 5 saws of different diameters (28, 35, 50, 68, 74mm)
