Description

Pastor 2500 12V Pastormatic

The Pastor 2500 12V Pastormatic is a very powerful 4.80j model with a 12V battery, ideal for mountain cattle, sheep, deer and protection of crops against wild boars. With an LED display that indicates the status of the battery and proper operation on the fence, this shepherd also has a power selector with a scale from 1 to 10. Thanks to the large dimensions of the lower box, you can store a car battery inside. Includes connections for 12V battery and 9V battery, ground spike, signaling plate, ground and line sockets, with a 3-year warranty.

- 12V connection
- Power stored: 0.70j
- Output power: 2.5j
- Maximum voltage: 10000V

- Voltage at 500 ohm: 4500V
- Consumption: 22-245mA/h
- Battery not included

Specifications

EAN	8430274155021
Country of origin	Spain
Weight (kg)	3,295
Nominal voltage (V)	12V
