Description

The 1m black Braided Nylon USB-A to Micro USB cable from the Tech One Tech brand is a data and fast charging cable designed to offer strength and durability. Its braided and reinforced nylon coating makes it anti-twist and abrasion resistant, while its metallized connectors and joints guarantee greater resistance. With a charging capacity of 2.4A, this 1m long, 30 gram-weight cable is valid for devices with a micro USB connection, such as mobile phones, tablets, helmets and toys. It complies with CE, FCC and RoHS standards, and features multi-protections against overload and short circuit to protect your devices. With a 3-year warranty, this cable offers the highest quality on the market and is designed to last over time.
