Description

The pack with 12 Milan colored pencils is ideal for artists and students who look for quality and resistance in their drawing tools. The pencils have a ø2.9mm lead that offers a uniform line and is resistant to breakage, thanks to the LPS system (Lead Protection System) that protects the lead by adhering it to the wood. The wood used comes from sustainable plantations, which guarantees an environmentally friendly product. With 12 vibrant colors, each with its own name, these pencils are perfect for bringing your artistic creations to life with precision and durability.
